

Give/ Get OSHWA Board Policy

Policy

To demonstrate our commitment to our mission and to reach our budget goals, OSHWA board members agree to a Give/Get Policy. This policy is intended to ensure that every board member supports by giving or getting from other donors a minimum of \$300 annually. Board giving is distinct and in addition to attending special events, buying tickets or otherwise participating in our organization's activities. The board-give-get goal may be reviewed as part of the annual budget approval process. All board members will be given a copy of this policy in our onboarding documents. The Executive Director and Board President can agree to waive this requirement for any board member.

Procedure

Board members are free to choose whether to give the minimum, get the minimum or do a combination of both. Gifts may include: membership to OSHWA, sponsorship to the annual Open Hardware Summit, or general fund donations. For example, you could purchase a general membership for yourself at \$100, ask a co-worker to sign up for a general membership, and ask a friend to sign up for a general membership.

For the get portion, please email the name of your referred donor to Alicia (alicia@oshwa.org) and she will let you know if / when the funding comes through. There is no need to email her if you are giving the total amount.
