

Front Range Open Hardware Symposium with Congressman Jared Polis

April 24th at 6pm | The Studio Boulder, 3550 Frontier Ave #2, Boulder, CO

This event is to educate the general public and Congressman Polis about open source hardware and view open hardware activities happening on Colorado's Front Range.

If you would like to showcase your open source hardware at the event, and need a table, please email info@oshwa.org with details about your project.
